- a. [Remote Learning During the Coronavirus \(COVID-19\) Pandemic](#)

At Mile Oak Primary School, we understand the need to continually deliver high quality education, including during periods of remote working – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection, and safeguarding.

The DfE has set out clear guidance that all schools must:

- *give access to high quality remote education resources*
- *use a curriculum sequence that allows access to high-quality online and offline resources and teaching videos and that is linked to the school's curriculum expectations*
- *select the online tools that will be consistently used across the school in order to allow interaction, assessment and feedback and make sure staff are trained in their use*
- *provide printed resources, such as textbooks and workbooks, for pupils who do not have suitable online access*
- *recognise that younger pupils and some pupils with SEND may not be able to access remote education without adult support and so schools should work with families to deliver a broad and ambitious curriculum*
- *When teaching pupils remotely, we expect schools to:*
- *set assignments so that pupils have meaningful and ambitious work each day in a number of different subjects*
- *teach a planned and well-sequenced curriculum so that knowledge and skills are built incrementally, with a good level of clarity about what is intended to be taught and practised in each subject*
- *provide frequent, clear explanations of new content, delivered by a teacher in the school or through high-quality curriculum resources or videos*
- *gauge how well pupils are progressing through the curriculum, using questions and other suitable tasks and set a clear expectation on how regularly teachers will check work*
- *enable teachers to adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding*
- *plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including daily contact with teachers"*

This policy aims to:

- Minimise the disruption to pupils' education and the delivery of the curriculum.
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

Appendix A

Parents and Carers Code of Conduct

Our staff are working hard to balance their regular teaching jobs with online learning provisions. Across our community of staff there is a wide range of comfort with technology. Many important aspects of learning at Mile Oak may not transfer easily to online environments so staff appreciate your patience and support in this area. They are working incredibly hard to adapt to a rapid and unexpected pivot towards distance learning.

With this in mind, we ask that you:

- Respect the ethos, vision and values of our school
- Work together with staff in the best interests of our pupils
- Treat all members of the school community with respect – setting a good example with speech and behaviour
- Ensure that no session is recorded on any device – Please remember that it is a legal requirement to obtain permission from any individual you are recording at all times.
- Send any communication to staff through the school office. When they are online, staff are focused on providing feedback to pupils on their learning.
- Ensure all work uploaded is relevant to the task set.
- Ensure no defamatory, offensive or derogatory comments regarding the school or any of the pupils/parent/staff are made or shared on Facebook or other social sites. Any concerns you may have about the school must be made through the appropriate channels by speaking to the class teacher, the Head teacher or the Chair of Governors, so they can be dealt with fairly, appropriately and effectively for all concerned.

If the school suspects, or becomes aware, that a parent has breached the code of conduct, the school will gather information from those involved and speak to the parent about the incident.

Depending on the nature of the incident, the school may then:

- Send a warning letter to the parent
- Invite the parent in to school to meet with a senior member of staff or the headteacher
- Contact the appropriate authorities (in cases of criminal behaviour)
- Seek advice from the local authority regarding further action (in cases of conduct that may be libellous or slanderous)
- Ban the parent from the school site

The school will always respond to an incident in a proportional way. The final decision for how to respond to breaches of the code of conduct rests with the headteacher.

The headteacher will consult the chair of governors before banning a parent from the school site.

Appendix B

Remote Learning During the Coronavirus (COVID-19) Pandemic

Within the ever-changing circumstances we are currently living through, we have to be prepared for local lockdowns. In the event of a local lockdown, the school will implement provision for remote learning, so pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines how we will deliver remote education during the pandemic.

1. Contingency planning

- 1.1 The school will open to all pupils at the start of the Autumn term, in line with national and local guidance.
- 1.2 The school will work closely with the LA to ensure the premises is 'COVID-secure', and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.
- 1.3 The school will work closely with the local health protection team when entering into a local lockdown and implement the provisions set within their contingency plan.
- 1.4 The school will communicate its plan for a local lockdown with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- 1.5 If there **is not** a local lockdown, but a single class or 'bubble' needs to self-isolate, the school will implement remote learning immediately for that group.

2. Teaching and learning

- 2.1 All pupils will have access to high quality education when remote working.
- 2.2 The school will use a range of teaching methods to cater for all different learning styles, this includes:

- Educational Websites
- Live webinars
- Pre-recorded video or audio lessons
- Various reading tasks – e.g. comprehension, inference and prediction
- Daily challenges
- Times Table Rock Stars
- Mental Health/ Well-being activities/Jigsaw

2.3 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.

2.4 When teaching pupils who are working remotely, teachers will:

- Set assignments so that pupils have meaningful and ambitious work each day.
- Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
- Provide frequent, clear explanations of new content through high quality curriculum resources, including through educational videos.
- Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
- Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
- Plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including daily contact with teachers.

2.5 All provisions for remote learning will be subject to the class group's age and ability.

2.6 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not make the decision lightly.

2.7 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.

3. Returning to school

3.1 The headteacher will work with the LA to ensure pupils only return to school when it is safe for them to do so.

- 3.2 After a period of self-isolation, or the lessening of local lockdown rules, the headteacher will inform parents when their child will return to school.
