

Class Zoom Check-in Golden Rules

1. Remember all children will be muted upon entry. Please do not unmute yourself until you are asked to by the session leader.
2. Wait patiently until the teacher starts the meeting, and all your classmates have arrived.
3. Remember that everyone in the meeting can see what is behind you. Make sure you are somewhere that you feel comfortable.
4. Always wear suitable clothing to the class check-in.
5. When you'd like to share some thoughts with your teacher, simply comment in the chat bar. Then, your teacher will invite you to speak and share your question.
6. Be polite and kind at all times - remember, we're recording this to keep you safe.

To take part in our class meetings, you must always follow these safety rules.
