This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make additional and sustainable improvements to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. All funding must be spent by 31st July 2025.

Activity/Action	Impact
-----------------	--------

Sports Awards Ceremony

The sports ceremony has helped raise the profile of PE and sport across the school, celebrating both individual and team achievements. This year, we welcomed a guest speaker who inspired pupils with their journey in sport, further motivating children to aim high and stay active. The ceremony recognised not only talent, but also effort, teamwork, and personal improvement, ensuring all pupils felt included and valued. It created a strong sense of pride and community, encouraging greater participation. As an annual event supported by staff, pupils, and families, it is now a sustainable celebration of sporting success.

The

For the whole year, Active8 have been setting up games during lunchtimes to work with different year groups and increase physical activity levels. Different groups of children have been targeted such as SEN and inactive groups. This has led to some sedentary children participating in sport more frequently.

Active playtimes

Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Review of last year's spend and key achievements (2025/2026)

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Resources & Equipment				
EYFS Equipment	Teachers Pupils	Key Indicators 1 and 4	PE and Sport Premium funding was used to purchase specialist equipment to support the development of gross and fine motor skills in our Reception children. New resources, including balance equipment, climbing apparatus, and fine motor tools (such as gripstrength toys, tweezers, and threading sets), were introduced to daily provision. These helped improve coordination, control, and confidence in physical movement. As a result, staff observed greater engagement in physical activity, improved pencil grip and hand strength, and enhanced readiness for early writing and PE tasks. Targeted children made significant progress against the physical development Early Learning Goals.	£800

Cycling maintenance and new helmets	Pupils	Key Indicator 1 and 4	By maintaining our fleet of school bikes, we have ensured pupils can continue to access regular cycling opportunities, supporting physical fitness, coordination, balance and cardiovascular health through an enjoyable and sustainable activity.	£1442
Equipment for PE	Teachers Pupils	Key Indicators 1 and 4	Investing in new PE equipment has had a positive impact on the quality and variety of physical education across the school. Staff are now able to deliver a broader, more engaging curriculum that meets the needs of all pupils. The updated equipment has improved lesson delivery, encouraged more active participation, and supported the development of key skills in different sports. It has also enabled greater inclusion, with suitable resources available for all abilities. This investment is sustainable as equipment is maintained and stored correctly, and staff are trained to use it effectively, ensuring long-term benefits for both teaching and learning.	£5247.50

Membership & Subscription Fees

School games membership		Key Indicator 1, 4 and 5	This has enabled our pupils to take part in a wider range of School Games events, significantly increasing opportunities for all children to experience competitive sport in a supportive environment. Access to School Games competitions has boosted pupil motivation	£150
			and pride, giving them goals to work toward in PE lessons and promoting positive sporting attitudes such as teamwork, determination, and respect.	
Football League registration		Key Indicator 1, 4 and 5	Registering for the local football league has provided pupils with regular opportunities to represent the school in competitive matches, developing teamwork, resilience, confidence and sportsmanship while increasing participation in competitive sport.	£100
Getset4pe		Key Indicator 1, 4 and 5	By subscribing to a high-quality PE planning platform, teachers have access to clear, structured lesson plans and resources, reducing planning workload while improving consistency, confidence and the overall quality of PE delivery across the school.	£1415

Sports Day

Equipment & Medals		Key Indicator 2, 4 and 5	Funding was used to purchase medals and certificates for Sports Day, helping to raise the profile of physical activity across the whole school. The inclusion of awards for participation, effort, and achievement encouraged all pupils to engage fully, regardless of ability. This helped to foster a positive sporting culture, celebrate individual success, and boost confidence and motivation. Staff and parental feedback noted an increase in pupil pride, teamwork, and enthusiasm for future sporting events	£1435
--------------------	--	--------------------------	--	-------

Extra-Curricular

Transport		Key Indicators 4 and 5	Funding was used to cover transport costs to a range of inter-school sports competitions and festivals. This enabled pupils from all year groups to participate in events they would not have otherwise been able to attend due to financial or logistical barriers. As a result, pupil participation in competitive sport increased significantly, with more children representing the school and developing skills such as teamwork, resilience, and sportsmanship. The experience also helped raise aspirations and promoted a strong sense of school pride.	£1630
-----------	--	------------------------	---	-------

Skateboarding	Teachers Pupils	Key Indicators 1 and 4	Introducing skateboarding as part of our PE offer has had a hugely positive impact on pupil engagement and enthusiasm for physical activity. It provided a fresh, exciting challenge that appealed to a wide range of pupils, including those who are less interested in traditional sports. The sessions helped build balance, coordination, and resilience, while also encouraging risk-taking in a safe, structured environment. Specialist instructors supported staff to deliver sessions confidently, and equipment was purchased for ongoing use. As a result, skateboarding is now embedded within our wider curriculum, offering a sustainable, inclusive activity that continues to inspire pupils to stay active.	£3480

Sports Award Ceremony	PE leads Pupils	Key indicator 1, 2 and 5	The sports ceremony has helped raise the profile of PE and sport across the school, celebrating both individual and team achievements. This year, we welcomed a guest speaker who inspired pupils with their journey in sport, further motivating children to aim high and stay active. The ceremony recognised not only talent, but also effort, teamwork, and personal improvement, ensuring all pupils felt included and valued. It created a strong sense of pride and community, encouraging greater participation. As an annual event supported by staff, pupils, and families, it is now a sustainable celebration of sporting success.	£416
Children experiences	Pupils	Key Indicators 1 and 4	The continuation of JOLF has diversified our enrichment, engaging pupils in a nontraditional sport that focuses on coordination, focus, and selfdiscipline. This has particularly appealed to pupils who are less engaged by team-based sports. Sussex cricket also came in so that all students could experience cricket sessions.	£599
Extra-Curricular				

Swimming Top up sessions	Pupils	Key Indicator 1	Additional swimming lessons (top-up sessions) for Year 6 pupils who had not yet met the national curriculum requirements by the end of their core swimming block. These targeted sessions focused on improving stroke technique, stamina, and water safety, including self-rescue skills. As a result, 56% of pupils made measurable progress, with 45% of the Year 6 cohort now able to swim at least 25 metres and use a range of strokes effectively.	£1474.50

Key achievements 2025-26

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact
Purchased new equipment	Purchased new PE and active play equipment to increase opportunities for pupils to be physically active throughout the school day, supporting our aim of helping every child achieve 60 active minutes each day.
Bike Repairs	Continued to embed cycling opportunities across the school, giving pupils regular access to an enjoyable form of physical activity while developing confidence, balance, coordination and fitness.
Skateboarding & Jolf	Skateboarding: Introduced year 4 pupils to a new and engaging physical activity, developing balance, coordination, confidence and resilience while encouraging participation from children who may not always engage in traditional team sports. Jolf: Provided pupils with the opportunity to experience a different sport, developing coordination, control, concentration and accuracy while broadening the range of physical activities available across the school.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	67%	The swimming data was unfortunately lost by our external swimming provider. The reported figure of 67% has therefore been calculated using the pupil data available to us, alongside the number of Year 6 pupils identified as requiring additional top-up swimming provision.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	67%	The swimming data was unfortunately lost by our external swimming provider. The reported figure of 67% has therefore been calculated using the pupil data available to us, alongside the number of Year 6 pupils identified as requiring additional top-up swimming provision.

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	67%	The swimming data was unfortunately lost by our external swimming provider. The reported figure of 67% has therefore been calculated using the pupil data available to us, alongside the number of Year 6 pupils identified as requiring additional top-up swimming provision.
If your school's swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	The children who have not reached NC standard in year 5 have had the opportunity to do top up sessions in year 6.
	Yes/No	

Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?		No but this is something that the school may look into doing in the future. The wadurs staff are used to teach swimming lessons at the moment.
